Synopsis: To advise Rhonda Chessser of a collection account with Verizon for \$ 257.00 appearing on her credit report.

Enclosure(s): A copy of credit report dated 09/01/2009.

Details: A routine review of credit report dated 09/01/2009, revealed a collection account with Verizon for \$257.00.

The Reinvestigation Unit requests the Security Officer, or another designated individual, to advise Ms. Chessser of the delinquent account listed on her credit report. If the account is outstanding, stress the importance of addressing financial obligations by providing the employee with a Security Awareness Briefing (SAB).

If the information listed on the credit report is not accurate, the employee should initiate steps to have her credit report corrected and/or updated immediately.
